

Children Matter at West Market Street United Methodist Church.

Children hold a special place in the faith community at West Market Street United Methodist Church. We offer Sunday school classes for children of all ages from 9:45-10:45 am.

Throughout the year, the Children's Ministry Council plans regular activities. WMSUMC also offers a comfortable environment for children to sing in one of its children's choirs.

During the summer, several major activities are offered for children such as Vacation Bible School, 1- 2- 3 Go Day Camp, and Music Camp.

Child Care is provided to meet the developmental needs of each age group from birth through age five. Child care is provided by a professional staff during all worship services and Sunday School.

About the Children's Ministry

West Market Street UMC was recognized in 2004 as a "Church for All God's Children" by the United Methodist Church in Western NC. WMSUMC seeks to be a church that reaches children with the love and compassion of Jesus Christ through the ministries with our membership and outreach to the community. We seek to touch the lives of children locally through involvement in a local school, sponsorship and support of refugee families, support of our Early Childhood Center's scholarship fund, and education about the needs of children close by and far away.

Be a Part of our Ministry Team

The Children's Ministry Team includes staff and members of WMSUMC who are very dedicated to ensuring our children thrive and grow in Christ. Events are organized and implemented throughout the year with the help of many volunteers.

To keep WMSUMC the holy place it is intended to be, all paid staff and volunteers are required to attend the United Methodist's Churches Safe Sanctuaries training program. Anyone who works with our children must also have a background check.

If you have a God-given gift or talent that you believe would benefit our Children's Ministry team, please contact our Children's Ministry Coordinator, Amy Kreimer, at (336)288-4913 or kreimer3@bellsouth.net or Rev. Jane Brannock, Minister of Education and Children, at (336) 275-4587, ext. 13 or at jbrannock@wmsumc.org.
